Ascend to the King's Chamber inside the Great Pyramid and access your Light Body codes! We also have special permissions to visit temples and pyramids not open to tourist groups. Right now, all the temples and are open, but there are very few tourists. This is the perfect time to visit Egypt. Our journey begins and ends in Giza, the major Stargate of planet Earth. Next, we immerse ourselves in the timeless beauty of Luxor, the feminine heart of ancient Egypt. At Karnak Temple, we are initiated into the powerful healing mysteries of the Lion Goddess Sekmet. At Dendera Temple, Hathor's Temple of Love, Mary will explain the Mystery School teachings of the Blue Lotus .These ancient healing temples were centers of esoteric wisdom and hold the keys for awakening the codes of light for the Aquarian Age. *(Past Life Regression Sessions with Mary using the Edgar Cayce Method may be booked in advance).*
